

Accounting Co-op (Seasonal/Full-Time)

GMS Surgent provides an excellent way for students to participate in actual tax compliance engagements and meet a variety of internal and external industry professionals. Co-ops work directly with GMS Surgent team members and client personnel gathering data and summarizing the results. The co-op program will provide career insights for the student and offer insight into career path opportunities in public accounting.

The GMS Surgent structured co-op program is a Winter/Spring program, which begins January and runs through the April tax deadline. The program is flexible as to timing and working hours based upon your individual availability and the firm's needs.

Position Requirements:

- Major - Accounting
- Minimum GPA of 3.0
- Available between January - April (tax deadline)
- 40 or more hours per week

Send your cover letter and resume to resumes@gmssurgent.com or submit your application via [this form](#).
