

Entry Level Staff Accountant (Full-Time)

GMS Surgent is currently in search of qualified entry level staff accountants to join our team (start date of October, post-graduation). An ideal candidate is team oriented, demonstrates a solid work ethic and motivation to succeed, and enjoys independent problem solving. We do not require 150 credit hours.

In addition, the candidate should have critical thinking skills, the ability to manage multiple tasks and the capacity to effectively communicate (verbal & written) in a fast-paced environment with aggressive deadlines.

Essential Duties and Responsibilities

- Provide timely, high quality client services that meet or exceed client expectations
- Research complex tax and accounting issues, in addition to determining alternative solutions
- Become proficient in the preparation of corporate, individual, partnership, and fiduciary tax returns

Position Requirements

- Major - Accounting
- 4 year degree in Accounting
- Minimum GPA of 3.0

Send your cover letter and resume to resumes@gmssurgent.com or submit your application via [this form](#).

At GMS Surgent, we are dedicated to furthering education at all levels. Named to Accounting Today's "Best Accounting Firm to Work For" lists in 2018 and 2022, our team works and grows together in a collaborative environment. We never settle in reaching our fullest potential.

In a business focused on numbers, we know that it is our people that add up to the true value of GMS Surgent. We take pride in recruiting individuals who demonstrate outstanding academic and professional achievement - and are motivated to reach their full potential.

Top Reasons to Work With GMS Surgent:

- Internal growth encouraged
- Work closely with a diverse client base
- Collaborative work environment
- Little or no travel
- Competitive salary & comprehensive benefit package
